

Job Description

Senior Professional Officer (Marketing)

Scope

The Senior Principal Officer (Marketing) will be responsible for developing and executing a marketing strategy to promote HM's products/services, enhance brand awareness and drive customer engagement. The Senior Principal Officer (Marketing) will collaborate with various departments and teams to ensure effective delivery of marketing campaigns.

Main Responsibilities

- Develop and implement comprehensive marketing strategies to achieve organisational objectives.
- Initiative, lead and manage marketing campaigns for all initiatives
- Conduct market research and analysis to identify needs, trends, opportunities and customer preferences.
- Create compelling marketing campaigns for programmes, initiatives, events and other services across museums and sites, including content, graphic design and media.
- Manage all social media platforms and website content management
- Actively participate in the concept development and implementation of exhibitions, museum shops, events and initiatives for museums and sites
- Oversee the production and distribution of marketing collateral including brochures, flyers and advertising initiatives.
- Monitor and analyse the performance of marketing campaigns and initiatives, and make data-driven recommendations for optimisation.
- Manage relationships with external vendors, agencies and partners to support marketing initiatives.
- Stay updated on industry trends, best practices and emerging technologies in marketing.

- Provide leadership, guidance and mentorship to marketing staff.
 - Works in close collaboration with other Heritage Malta professionals;
 - Observe professional ethics;
 - Ensures adherence to policies, procedures and approved budgets;
 - Other duties as may be assigned by the Agency.
-

Knowledge

- Strong knowledge of marketing principles, techniques and best practices.
- Excellent analytical skills and the ability to interpret data to drive marketing decisions.
- Exceptional communication and interpersonal skills, with the ability to collaborate effectively with cross-functional teams.
- Demonstrated leadership abilities and experience managing a team.
- Proficiency in marketing software and tools, such as CRM systems, analytics platforms and project management tools.
- Creative thinking and problem-solving skills.
- Ability to thrive in a fast-paced environment and manage multiple projects simultaneously.
